BACK IN BLACK

"A truth discovered always seems so plain and simple that we wonder why the discovery was so long delayed."

-Vash Young

FORM AND FUNCTION

Technology designer Andrea Pivetta has created Oltre, a new amplifier that reaches a superior completeness among precision high-end audio systems. This state-of-the-art "art" brings beauty, technology, and performance together in a way that is naturally Italian.

BLAME IT ON THE BOOGIE

Zeta Zero, an amazing wideband full-immersion stereo speaker system developed by Andrea Pivetta and Tomasz Rogula, fills the whole room with acoustic energy devoid of unpleasant "sweet spot" effects. Paired with Pivetta's extraordinary Oltre amplifier, it's audio nirvana!
